

## Columbia Basin Culture Tour 2024

### Where to pick up a paper copy of the directory

In addition to viewing the Culture Tour venues [online](#) and in the [pdf version of the directory](#), we encourage you to pick up a paper copy of the directory to determine how to best enjoy the weekend.

Printed directories will be available at all venues during the tour weekend. Some of the venues are also open to the public before the tour, but please confirm this with the venue before dropping by to obtain a directory.

You can also pick up a directory in the following locations.

*(Note: If you're a location that would like to receive the tour directory in future years, contact us to let us know: [admin@wkartscouncil.com](mailto:admin@wkartscouncil.com).)*
